

**CLUBS/SPORT**

# Friends share trip to China

THE October meeting of the Friendship Club of Opotiki was held recently and because president Gloria Lewis had lost her voice, ex-president Denis Lindesay chaired the meeting.

Patrea Donkin, who has run a sweepstake every year since the club formed, organised the Melbourne Cup sweepstakes. They were won by Allan Mills, Petrea Donkin and Rosemary MacPherson.

Nine apologies were accepted. Gordon Gault won the door draw and Cherie Newell won the birthday draw. Members with birthdays this month are Cherie Newell, Jill Wingate, Ruth Wilkinson, Rosemary Macpherson, Betty Pickford, Anne Grierson, John Norman, Bernie Clements and Margaret Stephenson.

Jeanette Milner was our icebreaker speaker. Jeanette was born in Central Otago where her father was an orchardist. Most of her work has been with children and then in social work.

A very interesting study Jeanette did was about the effect of the Christchurch earthquake on children and families.

After our usual noisy morning tea break, we settled to listen to our guest speaker.

Margaret Green enjoyed touring China with Jocelyn Griffiths. Margaret illustrated her talk with photos on the screen. It's so much easier to see the subject than to imagine from the description and so much easier to show than tell. It was particularly interesting to see the locks where the narrow passenger or cargo boats are raised and lowered.

Margaret's talk recommends China as a great place to visit.

**DRAWS**

**Touch**

OPOTIKI Whanau touch draw for Friday, November 16, is:

**Dairy Farmers Supplementary Feed for Green feeding or Ensiling**

We still have a limited amount of Cornfeed By Product available from our Gisborne processing operations running from mid January until early April 2019.

Cornfeed is very palatable to stock either fed out fresh or ensiled for use as a winter feed. Feed values are similar to maize feed with typical dry matter of + 20%.

Deliveries can be made to suit your requirements with loads spaced several days apart for green feeding or concentrated for quick stack building. Just let us know your requirements.

To place an order or for further enquiries please phone or email
