# Footprints in the sand not made by sitting down

ON Monday, November 19, Woodlands Women's Institute held its penultimate meeting for the year at the Woodlands Hall.

The motto for November was: "Footprints in the sands of time were not made by people sitting down".

The Aspirations were recited by the 12 members present and discussions were held regarding the three functions some of our members recently attended.

The first was the Eastern Bay Federation Day, held at Woodlands Hall in October. We were very fortunate to have the assistance of the senior school pupils from Woodlands School who set out the tables and chairs for us. Then when afternoon tea concluded, pupils from the junior department entertained us with songs, poems and the haka. This was enjoyed by all present.

The Lions Market in Opotiki was the second outing where small bouquets of flowers were handed out to patrons who were all very accepting

and some were surprised that they were receiving something for nothing.

The occasion was used to encourage new members into our folds and it was pleasing to see a strong interest.

And third, some of the Woodlands members attended AgFest in Opotiki to help out on the "Wool" display. The idea was that children would be shown where wool comes from, so there was a sheep shearing display, a wool spinning display and then our lovely ladies knitting peggy squares to demonstrate the end of the process.

The weather was kind with fine but windy conditions and again there was interest shown by more women regarding joining our group.

Our monthly raffle was won by Nollie Millar and best wishes were passed onto Betty Pickford and Fay Mead as they celebrate their birthdays in November.

Before the meeting concluded there was a small demonstration from a Nutrametics cosmetics consultant.
