Petersen falls into the Donga – Shove prevails

OPOTIKI Golf Club results for the men's and women's Shoot-out held on Saturday, February 16:

Women started on No 9 with 11 starters. Winner was Suzanne Nelson; runner-up was Polly White and Kura McMillan came in third. Congratulations Suzanne.

Nineteen men started with only one left standing. After a long and hot day only the wily veteran Robbie Petersen, and the slightly less wily Ray Shove survived to the 18th hole.

Unfortunately, Petersen went into the infamous Donga, and Shove prevailed to be the club's 2019 Shoot-out champion. Well done.

Others falling short in the Shoot-out were Shane Malloy, out on No 17; Trevor

Harris No 16, Ross White No 15. Well done guys for surviving that long.

In the last man standing prize draw, first prize went to Barry Howe - very fitting as he went out on the No 1 hole, second ball out of bounds, and the remaining 18 all had a life.

Runner-up in the draw was Denis Newy, who went out on No 4 in a chip-off with four others.

This year making the final 19 for the start line was not easy. Many of the initial entrants failed to make selection based on the best two nett rounds from the 12 played over the summer months.

Many thanks to Ross White for running this very successful and popular club competition.

> **IT'S all smiles as the women complete the annual shoot-out competition on Saturday.**
