SITUATIONS VACANT

ZERO WASTE EDUCATOR

Are you a dynamic educator?

We need a suitable educator to teach the Zero Waste Education programme in Primary and Intermediate schools in Opotiki & eastern Whakatane District Council areas.

Passionate understanding of the environment and waste would help.

This is not a full time position (approx. 200 hours per school year). There are 15 schools involved in the Opotiki District plus some schools in eastern Whakatane.

You would need a reliable vehicle.

You would need to be available for interview in June with full training given shortly after that.

Need to start early Term 3 2019.

Trained teachers preferred but not an absolute. Would suit relieving teacher or part time teacher.

Ability to educate in Te Reo an advantage but not a requirement.

Email enquiries and/or CV to office@zerowasteeducation.co.nz or post to P.O. Box 2523 Tauranga 3144. Phone 021 387929

Applications close 17th June 2019.
